

## IMPORTANT NOTICE TO ALL MMHS ALUMNI

The Machias Memorial High School Alumni Association has been in existence for many years, but now is faltering due to lack of persons willing or able to serve as officers of the organization.

MMHS Alumni Association will be losing three of its four current officers in August 2018, due to resignations. Elections for replacement officers will held at the August 11, 2018 annual meeting. Consequently, we are asking that some local alumni members consider offering their support to the Association by running for office in 2018. The Association will need a President, Vice-President, and Secretary position to be filled during the August meeting. If these positions cannot be filled, then the association will be officially disbanded. If disbanded... any remaining cash funds will be disbursed to the Machias Memorial High School, and all future organized activities by the Alumni Association will cease.

This notice dated December 9, 2017 has been approved by unanimous consent of the MMHS Alumni officers.
